

Harvest Poems 1910-1960

By Sandburg, Carl. Van Doren, Mark, Introduction by.

Harcourt. 1 Paperback(s), 1988. soft. Book Condition: New. This representative selection of poems skims the cream from the Pulitzer Prizewinning poet's previous collections, including Chicago Poems; Smoke and Steel; Slabs of the Sunburnt West; Good Morning, America; and The People, Yes; as well as 13 poems appearing in book form for the first time."The poetry in which Mr. Sandburg has celebrated his vision is strong, sometimes crudely strong, sometimes unsubtle; but it is tensile in all weather, it is independent, honest, direct, lyric, and it endures, clamorous and muted, magical as life itself is. To give lyric and affirmative shape to the hundred images that life at every moment suggests to him is his habitus, his biologic style, his natural culture."NYTimes Magazine 126.
