Brand New Book ***** Print on Demand *****.Excerpt from Studies in Religion We meet together, a band of learners; every thing invites us to study: every thing seems to us in possession of a secret, and allures us by the promise of unfolding it. We are at home in our world, and yet not at home in it. We are full of questions. The overhead sky, with its floating islands of condensed light, the broad earth, the regal domain of flowers, the shy birds, the serious animals, the busy insects, - to all we say, Tell unto us, whence come and whither go you? They move around in dignified possession. We are all askers of them. We importune them in their haunts, follow them to their recesses; but they say nothing: they are dumb, alas!
