The Sixth Seed

By Lee Allen Howard

Three First Names. Paperback. Book Condition: New.

Paperback. 262 pages. Dimensions: 8.5in. x 5.5in. x 0.7in. Today's stories of alien abduction and experimentation include temporary embryonic implantation. THE SIXTH SEED, a dark paranormal fantasy fraught with suburban Pittsburgh horror, takes this scenario one radical step further when the first alienhuman hybrid fertilization develops to full term in utero. Believing a vasectomy will prevent another unplanned pregnancy, 34-year-old Tom Furst--Melanie's loving husband and the father of their five children--wants more than anything to dig them out of the fiscal hole they're mired in and become financially secure. However, during the procedure, mysterious Dr. Prindar Krakhil secretly implants a worm-like alien seed in Tom's vas deferens that not only ensures Melanie gets pregnant, but plants in her womb a child half alien. Their children are abducted. Melanie becomes gravely ill. When Tom loses his job, their home, and the sixth seed is born, will he accept the child for what it really is--and conquer the temptation to exchange it for the money Krakhil offers? Complete guideline! It's this type of great read through. It absolutely was written quite perfectly and helpful. I am very happy to explain how this is basically the best book I actually have read through during my personal life and can be the very best book for at any time.

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. It's been designed in an exceptionally easy way and is particularly merely right after I finished reading this ebook where in fact changed me, change the way I think.
