

## Vermont Historical Reader, Vol. 1 of 3: And Lessons on the Geography of Vermont (Classic Reprint)

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Vermont Historical Reader, Vol. 1 of 3: And Lessons on the Geography of Vermont This book has been made for the boys and girls of Vermont, in the hope that it will both please and profit them. It has been illustrated with many cuts to hold the attention and interest of the scholars. Part I contains an outline history of the State and selections in prose and verse, illustrating the spirit and life of its people. The selections are mostly from Vermont writers. There seems to be a call for a work of this kind, for it is vastly more important to our children and youth, as rising members of towns and states, to learn something of their own town, county and state, than of any other or all others put together, and there can be no better preparation for obtaining a knowledge of our country, or the world at large, than through an acquaintance with the history of our native State. Children, while reading, will learn of important historical events without loss of time, develop a love for the old Green Mountain State, and thus become loyal to its memory in after life. There are sketches of the lives of great men, such as the Aliens, Governor Chittenden, and Judges Chipman and Harrington; and there are stories of common people, that show us much of what the early Vermonters really were. The material of this part has been drawn from many sources. Among them may be named: Parkman s The Old Regime in Canada, The Narrative of the Captivity of Stephen Williams, D.P. About the Publisher Forgotten Books publishes hundreds of thousands of rare...
