Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

NATIONAL GEOGRAPHIC" FIELD GUIDE TO BIRDS: CAROLINAS

To get **National Geographic" Field Guide to Birds: Carolinas** eBook, remember to click the web link below and download the ebook or have accessibility to other information that are relevant to NATIONAL GEOGRAPHIC" FIELD GUIDE TO BIRDS: CAROLINAS ebook.

National Geographic Books. Paperback. Book Condition: new. BRAND NEW, "National Geographic" Field Guide to Birds: Carolinas, Jonathan K. Alderfer, "National Geographic Field Guide to Birds" provides affordable, portable, reliable region-specific information, perfect for the novice or experienced birder. In each guide, an introduction by an expert birder from the region offers guidance on where to look for key birds. An opening section gives pointers on how to look for key birds and what to focus on when you spot them. Each guide features approximately 150 birds, grouped by family. Two indexes: one alphabetical and one color-coded help readers identify a bird quickly. Each entry has a vivid photograph showing the bird in its native habitat. On the facing page, there is a list of bulleted points of field identification clues as well as behavioral and habitat information, and the best local places to find the bird. Special field notes give additional i.d. or behavioral information and detailed maps show the range of each bird's habitat. With comprehensive coverage of the region and valuable advice from experts, these user-friendly guides will quickly become favorite companions on the journey to lifelong birding. North and South Carolina, a favorite among bird watchers, are homes to a wide variety of birds that live in the western mountainous terrain or the eastern shorelines.
