Let us not assign a value to a journey based solely on how long it took to get to our destination. Looking back upon this extraordinary experience. . . I have few regrets. And those would be the times when I concealed and repressed my observations and true feelings out of fear of losing a most precious person. In reflection. . . these have been the most creative two years ever. I was awakened to my calling again (acting and writing) and my health certainly is an example of the path I chose to follow.
