Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Celia Anzalone has lived anything from a boring life. In the center of a messy divorce as a child to extreme drug problems as a young adult, Celia recounts her life as a drug addict. Recovery may be a long road, but with the help of God Celia is able to find balance in her life, while letting go of the past and accepting who she is now. Not leaving anything out, Celia tells the bizarre-and at times, embarrassing-story that was her life-stolen cars, abusive boyfriends, forgotten friends, and much more. She may have lived more than a difficult life, but finding God allowed Celia to forgive herself for mistakes she has made and accept the young person she s become. This whirlwind journey is bound to inspire readers as she weaves in and out of memories of a past life in this tantalizing memoir. Celia s Eyes is an inspiring story that shows how one girl, with all the odds against her, can turn them in her favor, building a new life from the ground up. She doesn t hide anything in this thought-provoking story of hitting rock bottom again and again, to finally get up for once and for all.
