Brand New Book ***** Print on Demand *****.Excerpt from Methodist Dictionary: A Brief Work on Methodist Terminology, Prepared in the Interest of Ministers, Members, and Friends of the Methodist Episcopal Church This small work on Methodist terminology has been prepared for the use of ministers, especially the younger of them, official members, probationers under instruction for full membership, Sunday school officers and teachers, Epworth League officers and members, newspaper reporters, and members and friends of the Church in general. The aim has been to furnish in compact and convenient form, in alphabetical arrangement, information on the vital points of history, doctrine, law, and polity in general, of the denomination. In collecting and defining terms the design has been to cover the various subjects so related. The thought of the author, therefore, is that by a careful reading and study of this little volume a comprehensive knowledge of our great, though somewhat complex, denominational system may be easily and quickly acquired, while as a key to and digest of much of the Discipline it will possess increased value as a book of reference. For some years the writer has had the opinion that our Church has need of a glossary or dictionary of ecclesiastical terms, and that such a work, carefully prepared, would be very useful to our ministry and membership. With that conviction its preparation was undertaken. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
