

The World Trade Organization: A Beginner's Guide

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, The World Trade Organization: A Beginner's Guide, David Collins, One of the most important yet least understood organizations in the world, the WTO is a lynchpin of globalization, allowing us to enjoy products and services from around the globe. However, it also lays bare the frailty of many industries, leading some to claim that it stokes unemployment and harms the developing world. In this engaging introduction, David Collins examines the goals of the WTO and the difficulties experienced by member countries struggling to adapt to the pressures of globalization. Refuting the argument that the WTO should expand its mandate to cover wider social issues, Collins demonstrates how this would confuse the organization's primary objective - to liberalize international trade. With case studies straight from the headlines and clear explanations of complex issues like regional trade agreements and currency manipulation, this lucid exposition is an essential insight into what the WTO does and how it fits into the world we know.
