

The Song of the Cardinal

By Deceased Gene Stratton-Porter

Readaclassic.com, United States, 2011. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. The Song of the Cardinal, Gene Stratton-Porter s first book, serves as a delightful introduction to the more than twenty others that she ultimately published along with numerous stories and articles in magazines. Stratton-Porter is one of the best-selling authors ever and her novels have never gone out of print. The fictional Cardinal that the book is about is actually a superbird who is bigger and redder and sings louder and more beautifully than any other Cardinal in the world. Moreover, it sings with such clarity that the literal meaning of its songs can be interpreted by human beings, primarily an old farmer and his wife who own the farm on which this bird resides. The Song of the Cardinal seems to be aimed at adults although its tone and intellectual level is more like that of a child s book. According to the film Voice of Limberlost it is based on a true experience in which the author finds a dead Cardinal shot by some fiend with a gun simply to test his aim. She picked...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
