House of Miracles: Learning Problems? There Is Help There Is Hope

By Bernice Capelle Dotz

iUniverse, United States, 2006. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on actual cases of physical, learning, and neurological problems, House of Miracles showcases the work of Dr. Phyllis Books in solving otherwise unsolvable problems. Dr. Books specializes in helping those with learning differences -children with a neurological dysfunction that cannot be overcome by standard teaching methods. After meeting Dr. Books, author Bernice Capelle Dotz believes that this brilliant woman is just the right person to help her grandson, who has been struggling academically since elementary school. The results are so amazing that Dotz offers her home to Dr. Books as a second treatment office whenever she comes to California. House of Miracles reveals the modalities Dr. Books draws from as well as her own research to develop Books Neural Therapy, a unique, nonforce, nondrug therapy, which can actually reverse problems such as dyslexia and other learning differences. The statistics show the short-term improvements, but the true-life accounts tell of the long-term enhancements. In House of Miracles, Dotz provides help, hope, and inspiration for those suffering from emotional and physical stress, and learning or neurological problems. An avid...
