Brand New Book ***** Print on Demand *****.The subject-matter is of permanent value, culled from the folk-lore of the primitive races; the vocabulary, based upon that of the Hiawatha Primer, is increased gradually, and the new words and phrases will add to the child s power of expression. The naive explanations of the phenomena of nature given by the primitive races appeal to the child s wonder about the same phenomena, and he is pleased and interested. These myths will gratify the child s desire for complete stories, and their intrinsic merit makes them valuable for oral reproduction.
