Xulon Press, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The author has spent many years studying God s word in what he believes is a very different way than most others have done. It has been his experience to find most folks leave out the uncomfortable verses of the bible when reading, meditating, or studying this profound instruction manual. They go to this manual with a premise, therefore skipping over many passages that make them uncomfortable. The author has concentrated more on those passages than on any others, and has found what he believes are some extremely sparkling nuggets in the bottom of the crystal clear waters of life s journey. These passages are as precious as any other truth found in this manual for life that God has so graciously given us. In fact they are more precious than others, because when understood, believed, and accepted as truth, they are instrumental in liberation and transformation like no others. He has found that the gospel, as taught in the bible, is like a beautiful jig saw puzzle, with dozens, if not hundreds of exquisitely detailed pieces fitting precisely together to form one clear, easily understood road map for life s journey. Sadly, it has taken him most of his life s journey to strike it so rich, but his earnest desire and frequent prayer is that many others will find these nuggets early in their journey, so that they can know and enjoy God s salvation for many years or decades. This book will take you where no pastor or bible teacher will dare to go, so buckle up your seat belts for an extremely exciting journey, which will transform your life to something truly beautiful,...
