Thomas Nelson Publishers, United States, 2014. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. John MacArthur reveals how God worked through ordinary people in some unexpected ways. Far from the children s tales depicted in picture books and nursery rhymes, the men and women highlighted in the Bible were unnervingly real. They faltered. They struggled. And at times they fell short. Yet God worked through them in surprising and incredible ways to accomplish His purposes. Scripture does not hide their weaknesses, caricature their strengths, or spin their stories as a display of human nobility. Instead, it describes these heroes of the faith with unflinching honesty and delivers an unexpected ending: God is not ashamed to be called their God (Hebrews 11:16). In *Twelve Unlikely Heroes*, pastor and best-selling author John MacArthur uses his deep knowledge of the Bible and history to take us back to see these three-dimensional men and women in their own times and cultures. In doing so, it becomes clear how their dramatic stories apply to us today. People who might at first seem foreign quickly become familiar and unforgettable, particularly as they reveal the true Hero behind every witness, the power counterbalancing every weakness, the Author and Finisher of our faith (Hebrews 12:1).
