John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Stargazers: Stories of the First Philosophers, Paul Rossetti Bjarnason, What exactly distinguishes the good life? Is it pleasure? Is it virtue? Is it wisdom? Or is it something else? Each of the ancient philosophers of Greece and Rome had an answer, because for them it was the most important question. "Stargazers" takes us into their lives, depicting their efforts to understand the nature of ultimate reality and to live a life in accord with that understanding. Thus transported, we discover also the source of many of our own ideas concerning the cosmos, God, humankind, and the flourishing life. "Stargazers" is an invitation to return to the beginning, extended cordially to all, but most especially to those who have yet to encounter Plato's "dear delight," philosophy. The quest begins and ends in wonder, and, along the way, reveals its power to transform both our perception of the world and our way of living in it.
