This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2011 in the subject English - Literature, Works, grade: A, Northern Arizona University, language: English, abstract: Even in high school during which my teacher interpreted Hamlet as a psychological drama with a cowardly, indecisive and disturbingly Oedipal main character, I saw Hamlet as primarily a depiction of a political showdown between Hamlet and Claudius. Having reigned for only two months, during which time he has, despite his country's weakened position, used diplomatic maneuvering to defuse the violent ambitions of the young Fortinbras, married his sister-in-law, and maintained the goodwill of the multitude shows that Claudius is a remarkably crafty and charismatic, even seductive, politician. The appearance of his father's ghost and his learning of the true circumstances of his demise present a golden opportunity. Though the elder Hamlet asks his son only to avenge his death, the younger man wants to have his...
