MODELING SOFTWARE MARKETS

Book Condition: New. Publisher/Verlag: Physica-Verlag | Empirical Analysis, Network Simulations, and Marketing Implications | As social beings, humans are not living in isolation but rather interact and communicate within their social network via language, meant to convey parts of some conceptualization from the sender to a single recipient or a set of recipients. Communities of agents not only share a common language but also the individual conceptualizations of the world (real and abstract) have to overlap to a significant extent,...
