

Crs Report for Congress: Foreign Ownership of U.S. Financial Assets: Implications of a Withdrawal: March 9, 2010 - RL34319

By James K Jackson

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This report provides an overview of the role foreign investment plays in the U.S. economy and an assessment of possible actions a foreign investor or a group of foreign investors might choose to take to liquidate their investments in the United States. Concerns over the potential impact of disinvestment have grown as national governments have become more active investors in the U.S. economy and as innovation in creating financial instruments has increased volatility in financial markets. Such concerns seem out of step with the experience of the 2008-2009 financial crisis, during which the dollar became the preferred safe haven investment for foreign investors. If some foreign investors were to liquidate their holdings, these actions could affect the U.S. economy in a number of ways due to the role foreign investment plays in the United States and due to the current mix of economic policies the United States has chosen. The impact of any such action on the economy would also depend on the overall condition and performance of the economy and the financial markets. If the economy were...
