Filesize: 3.44 MB

Reviews

Excellent e-book and useful one. It can be rally intriguing throgh looking at time period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Pasquale Klocko)

MANAGING YOUR INNER A**HOLE: AN UNUSUAL EDUCATION IN THE FUNDAMENTALS OF EMOTIONAL INTELLIGENCE

Second Blessing Media, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever let your emotions get the better of you? Have you ever felt like events, or circumstances, or other people were controlling you-instead of you being in control of you? Have you ever acted in a way that you later regretted because you were caught off guard, or were tired, or angry, or hurt, or frustrated, or didn't really know what to do, or just didn't have the time you needed to think through how you should respond to something or someone before you actually did? Have you ever hated yourself afterward, or wondered how you could be so dumb? Have you ever wondered why nobody ever wrote down a practical set of step-by-step, bulletproof guidelines for developing and maintaining a healthy relationship? Or have you ever wondered why, if there really is a God and He really is the Creator of the universe, why He didn't bother to take the time to leave us a simple list of instructions for dealing with the biggest emotional challenges of our lives? If you've ever asked yourself any of these questions, then this book is for you! That list of bulletproof instructions not only exists, God wrote them. Managing Your Inner A**hole is an unvarnished, unconventional look at the greatest practical advice the Bible has to offer without a hint of preaching, pretense, or posturing. Imminently logical without the guilt-trip, compassionate and humble without judgment or condemnation, this is a story of acceptance and empowerment about what it means to really love, what you have to do to really grow, and the surprisingly simple steps you can take right now to manage...
