This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

EVANGELIZING IMMIGRANTS: OUTREACH AND MINISTRY AMONG IMMIGRANTS AND THEIR CHILDREN

Mission Ministry Resources, United States, 2006. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Evangelizing Immigrants is an investigation into why so many immigrants become Christians after immigrating to America. After discussing immigration trends and statistics, as well as the challenges of immigration, Dr. Rogers discusses the results of 50 interviews he conducted with immigrants from seven different cultural contexts who were converted to a conservative protestant expression of the Christian faith after arriving in the U.S. Each interviewee explains why he or she was converted and offers advice to church leaders who want to work effectively with immigrants. Ministers who lead immigrant churches are also interviewed and provide advice for effective outreach in immigrant communities. In synthesizing the results of his research, Dr. Rogers does not offer a step-by-step program for immigrant outreach (because such a thing is not possible), but provides a foundational way for church leaders to think about how to serve this important and growing segment of the American population.
