Pedlar Press, United States, 2015. Paperback. Book Condition: New. 200 x 128 mm. Language: English . Brand New Book. What would happen if, instead of entering a world in which they are never really considered human, girls made a choice to abandon us? A response to the hopelessness of being female, *\*Barren the Fury\** turns salvation myths into destruction narratives, hopelessness into rage, acquiescence into violence. Structured much like a novel, the book follows a mother whose daughter makes this choice as she moves from seeking answers to seeking vengeance and as she bears society's and the earth's flooding, a flooding that no government can stop, despite brutal efforts. Beneath this chaos sing the offerings of the unborn, the answers to why. Influenced by Margaret Atwood's *\*The Handmaid's Tale\**, Marilyn Bowering's searing *\*Autobiography\** and P.K. Page's *\*Planet Earth\**, *\*Barren the Fury\** ranges over topics like environmental destruction, child labour and menstruation suppression. Ultimately, the poems question our responses to underlying power structures do we close the curtains and latch the door?.
