PEAK PERFORMANCE: HOW TO MAKE A S IN YOUR EXANS

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.PEAK PERFORMANCE is specially packaged as a Seminar Material for the Exam Success Orientation Campaign. It is a response to the heart-cry of members of our societies regarding the abysmal poor performance of the various categories of students in their examinations across the various academic institutions and examining bodies. Inability of students to adequately prepare for their examinations is what has birthed the hydra-headed monster, called examination malpractice, that has become the bane of our once progressive society. Today, many of our students who would have become valuable assets to our societies have embraced the negative spirit which makes them see themselves as never-do-well. Consequently, they have been erroneously made to believe that they can never prepare for and pass their examinations on their own (i.e. without any illegal aid). It is the need to arrest this devilish spirit, that has prompted my packaging of this special Exam Success Pack, that is designed to re-orientate the student to believe that he is capable of preparing for and passing any examination, and indeed scoring A s in all his courses/subjects, without any illegal aid. The package (which comes with an audio CD) is to serve as a tool in the Exam Success Orientation Campaign that I am embarking upon to drive home the message of self-belief among students in our various academic institutions. This package and the campaign should be seen as my modest contribution to the task of rescuing our ailing society from total collapse and re-building and restoring it to the enviable society that it should be. For the various reasons aforementioned, the pocket book, which I self-published locally earlier, has been revised to include a look...
